

## COVID-19 guidelines for our summer students

We very much look forward to seeing you and welcoming you to the Martinus Centre, Klint.

We follow the authorities' instructions regarding COVID-19, which are described below. If you have questions or would like further information, you are welcome to contact us by phone +45 38380100 or email: [info@martinus.dk](mailto:info@martinus.dk).

NB! You are of course guaranteed a full refund of all your payments if we unexpectedly have to cancel a course you have enrolled for. The same applies if you want to cancel your enrolment because of developments in the corona situation.

### Prevent infection

- Hand-sanitiser dispensers have been set up where many people gather, and we have hired extra cleaning help during all our summer-course weeks. Remember the 6 main rules for preventing infection - see the box on the right.

### Corona passport

- Corona passports are not required, but the authorities strongly encourage two tests per week. This recommendation does not apply to those who have previously been infected or who are protected by the first dose of the vaccine.
- There are local test centres in Nykøbing Sjælland in Nordgårdshallen (by the swimming hall) and Badmintonhallen (the Badminton Courts):

Nordgårdshallen (PCR-test):

A Ladingsvej 1

4500 Nykøbing Sj.  
Opening hours:  
Mondag–Friday 8am–6pm

Badmintonhallen (quick test):  
Savværksvej 1A  
4500 Nykøbing Sj.  
Opening hours:  
Saturday–Sunday plus Wednesday 9am–7pm

If you do not have your own transport, we will be happy to help you with transport.

If you have symptoms of corona or become ill during your stay, you should remain isolated and, if possible, go home.

Of course, the rules may change. We will do our best to keep you updated via martinus.dk and social media.

We will do our utmost to ensure that we have an inspiring summer together, despite the challenges that corona forces us to face. We will also do our utmost to create a safe environment for you and look forward to a wonderful summer with you here at the Martinus Centre, Klint.
